INDEPENDENT AUDITOR'S REPORT

To,
The Members of
Parmeshwar Metal Private Limited

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Parmeshwar Metal Private Limited ("the Company"), which comprise the balance sheet as at 31st March 2022, and the statement of profit and loss and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its **Profit**, and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of all information. The other information obtained at the date of this auditor's report information included in the Board of Directors' report, but does not include the Standalone financial statements and our auditor's report thereon.

+91 9904064756 www.adcs.com

 Janak Estate, Opp. Chakudia Mahadev Rakhial, Ahmedabad-380 023 www.adcs.com adcsandassociates@gmail.com Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls
- Evaluate the appropriateness of accounting policies used and the reasonableness
 of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis
 of accounting and, based on the audit evidence obtained, whether a material
 uncertainty exists related to events or conditions that may cast significant doubt
 on the Company's ability to continue as a going concern. If we conclude that a
 material uncertainty exists, we are required to draw attention in our auditor's
 report to the related disclosures in the financial statements or, if such disclosures
 are inadequate, to modify our opinion. Our conclusions are based on the audit
 evidence obtained up to the date of our auditor's report. However, future events or
 conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- As required by the Companies (Auditor's Report) Order, 2020("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure 'A' a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2. As required by Section 143(3) of the Act, we report that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- The Company does not have any pending litigations which would impact its financial position;
- The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
- There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Annexure 'A' to the Independent auditor's report

(Referred to paragraph 1 under the heading of "Report on Other Legal and Regulatory Requirements" of our report of even date.)

1. Fixed Asset

i. The company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.

ii. The fixed assets have been physically verified by the management at reasonable intervals; Material discrepancies noticed on such verification have been properly dealt with in the books of accounts.

iii. Based upon the audit procedure performed by us and according to the record of the company, the title deeds of all immovable properties are held in the name of the company.

iv. The company has not revalued the property, plant and equipment or

intangible assets during the year.

v. Based upon the audit procedure company performed by us and according to the record of the company there are no such proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.

2. Inventory

i. physical verification of inventory has been conducted at reasonable intervals by the management

ii. The procedure of physical verification of inventory followed by the management is reasonable and adequate in relation to the size of the company and the nature of its business.

iii. On the basis of our examination of the inventory records, in our opinion, the company is maintaining proper records of inventory. There are no discrepancies noticed on physical verification.

iv. The company has been sanctioned working capital limits in excess of five crore rupees during the year, in aggregate, from banks or financial institutions on the basis of security of current assets.

v. Based upon the audit procedure performed by us and according to the record provided by company, Monthly returns or statement has been filed by the company with such banks or financial institutions are in agreement with the books of account of the Company.

3. Unsecured Loan

According to the information and explanation given to us the company has not granted any loans, secured or unsecured to companies, firms or other parties covered in the register maintained under section 189 of the Companies Act. Therefore, clause (III) (a),(b) and (c) of the order are not applicable and hence not commented upon.

4. Compliance of Sec 185 and 186

In our opinion and according to the information provided to us the company has complied with the provisions of section 185 and 186 of the Companies Act, 2013, in respect of loans, investments, guarantees and security to the extent applicable to the company.

5. Acceptance of Deposits

The company has not accepted any deposit from the public within the meaning of section 73 to section 76 of the act and the rules made there under during the period under audit and therefore, provisions of the clause 3(V) of the order is not applicable and hence not commented upon.

6. Costing Records

The maintenance of cost records has been specified by the Central Government under section 148(1) of the companies Act, 2013. We have broadly reviewed the cost records maintained by the Company pursuant to the Companies (Cost Records and Audit) Rules, 2014, as amended prescribed by the Central Government under subsection (1) of Section 148 of the Companies Act, 2013, and are of the opinion that, prima facie, the prescribed cost records have been made and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.

7. Statutory dues

- The company is generally regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income tax, goods and service tax, duty of customs and any other statutory dues with the appropriate authorities.
- ii. According to the information and explanation provided to us, no undisputed amounts payable in respect of provident fund, employees' state insurance, income tax, goods and service tax, duty of customs and any other statutory dues were outstanding at the year end, for a period of more than six months from the dates they become payable.
- iii. According to the information and explanation given to us, there are no dues of provident fund, employees' state insurance, income tax, goods and service tax, duty of customs and any other statutory dues which have not been deposited on account of any dispute.

8. Unrecorded Income

 Based upon the audit procedure performed by us and according to the record provided to us by company there are no such transactions recorded in the books of account have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

9. Default in Repayments

In our opinion and according to the information and explanation given to us, the company has not defaulted in repayment of dues to a bank. The company has not obtained any loan from financial institution or Debenture holders.

10. Utilization of Fund

As per information and explanations given to us, the company has not raised fund through initial or further public offer or through debt instruments. The company has also not raised funds through a term loan and therefore, clause (IX) of the order is not applicable and hence not commented upon.

11. Fraud

During the course of our examination of the books of the company carried out in accordance with the generally accepted auditing practices in India, and according to the information and explanations given to us we have neither come across to any material fraud on or by the company nor we are informed of any such cases by the management of the company.

12. Nidhi Company

In our opinion, the company is not a Nidhi, therefore the provisions of clause 3(xii) of the Order is not applicable to the company and hence not commented upon.

13. Related Party Transactions

Based on our audit procedures and on the basis of information and explanations given to us by the management, all transactions with the related parties are in compliance with Sections 177 and 188 of the Companies Act, 2013 wherever applicable and the details have been disclosed in the Financial Statements etc., as required by the applicable accounting standards.

14. Internal Audit

As the Nature and size of the company has initiate the internal control system, in the statutory audit of the company the internal audit report also consider for the same.

15 Non Cash Transactions with Directors

According to the information and explanations given to us and on an overall examination of the records of the company, we report that the company has not entered into any non-cash transaction with directors or persons connected with them as referred to in section 192 of the Companies Act 2013.

16 Sec. 45-IA of RBI Act

According to the information and explanation provided to us, the provisions of section 45-IA of the Reserve Bank of India Act 1934 are not applicable to the company.

17 Cash Losses

According to the Cash Flow statement and Details and explanation provided by the company has not incurred cash losses in the financial year and in the immediately preceding financial year.

18 Auditor's resignation

In the Company there is no such resignation of the statutory auditors during the year so this clause is not applicable to the company.

19 Financial Position

On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements as provided by the company, the auditor's knowledge of the Board of Directors and management plans, that no material uncertainty exists as on the date of the audit report that company is capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date

20 CSR Compliance

"ANNEXURE - B" TO INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the Internal Financial Controls over financial reporting of Parmeshwar Metal Private Limited ("the Company") as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on audit of internal financial controls over financial reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on audit of internal financial controls over financial reporting and the Standards on auditing, both issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorizations of Management and Directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition use or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on audit of internal financial controls over financial reporting issued by the Institute of Chartered Accountants of India.

Notes to the Financial Statements for the year ended March 31, 2022

1. Corporate Information

Parmeshwar Metal Private Limited is a private company domiciled in India having its office in Dehgam, Gujarat. The company is primarily involved in the Manufacturing of various types of Copper Rods.

2. Basis of Preparation:

The financial statements of the company have been prepared in accordance with generally accepted accounting principles in India. The company has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act 2013 read with paragraph 7 of the Companies (Accounts) Rules, 2014. The financial statements have been prepared on an accrual basis under the historical cost convention. The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

2.1 Summary of Significant Accounting Policies

i) Use of Estimates :

The preparation of financial statements in conformity with generally accepted principles requires management to make judgements, estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period end. Although these estimates are based upon management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

ii) Property, Plant and Equipment & Depreciation:

Recognition and measurement

Items of Property Plant and Equipment are measured at cost which includes capitalised borrowing cost, less accumulated depreciation and accumulated impairment losses, if any. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Notes to the Financial Statements for the year ended March 31, 2022

Subsequent measurement

Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

The company identifies and determines cost of each component/ part of the asset separately, if the component/ part has a cost which is significant to the total cost of the asset and has useful life that is materially different from that of the remaining asset.

Depreciation

Depreciation is provided on fixed assets used during the year as per Straight Line Method ('SLM') on the basis of useful life specified in schedule II of the Companies Act, 2013.

The Company has used following useful life to provide depreciation on its fixed assets:-

Block of Assets	Useful lives (Years)	
Buildings	30	
Plant and machinery	15	
Furniture and fittings	10	
Motor vehicles	8-10	
Office equipment	3-15	
Computers and data processing units	3	
Electrical installations and equipment	10	

De recognition

Gains or losses arising from derecognition of fixed assets are measured as the difference between the net disposal proceeds and carrying amount of asset and are recognised in the statement of profit and loss when the asset is derecognised.

Intangible Asset:

Intangible assets are reported at acquisition value with deductions for accumulated amortization and any impairment losses, if any.

iii) Impairment of Assets :

As per an assessment carried out by the management as on the balance sheet date, there is no indication of any substantial loss on account of overall impairment in the value of the assets. In the opinion of the management the assets are likely to recover the value at which these are stated in the accounts, on an overall basis.

Notes to the Financial Statements for the year ended March 31, 2022

iv) Inventories :

Inventory consisting of Manufacturing goods have been valued at lower of landed cost on FIFO basis or Net realisable value. Landed cost consists of purchase cost and other incidental cost incurred in bringing the goods to the present condition and location. Trading goods in damaged condition have been valued at Net realizable value as certified by the management.

v) Revenue Recognition :

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. The company collects Goods and Service Tax (GST) on behalf of the government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue.

vi) Borrowing cost :

Interest and other borrowing costs in connection with the borrowings of the funds to the extents related/attributed to the acquisition/construction of qualifying fixed assets are capitalized up to the date when such assets are ready for their intended use and other borrowing cost are charged to profit and loss statement. The amount of interest capitalized for the period is determined by applying the interest rate applicable to appropriate borrowings as per AS-16.

vii) Government Grants:

Grants and subsidies from the government are recognized when there is reasonable assurance that the company will comply with the conditions attached to them, and grant/subsidy will be received. Grant received against specific Fixed Assets are adjusted to the cost of the Assets and those to the nature of Promoter's contribution are credited to Capital reserve. Revenue grants are recognized as income on a systematic basis in the Statement of Profit and loss in accordance with the related scheme and in the period in which these are accrued. However, the company has not received or recognised any government grant in the Books of Account.

viii) Interest Income :

Interest income is recognized on accrual basis on a time proportion basis taking into Account the Amount outstanding and the rate applicable. Interest income is included under the head "Other Income" in the statement of profit and loss.

Notes to the Financial Statements for the year ended March 31, 2022 ix) Employee Benefits:

Short-term employee benefits are recognized as an expense at the undiscounted amount in the profit and loss account of the year in which the related service is rendered.

The Company does not fall under any of the defined contribution plans such as Provident Fund as well as is not covered under Defined benefit plans such as gratuity; hence there are no contributions to be made under such plans.

x) Earnings per Share :

The company reports basic and diluted Earnings per Share (EPS) in accordance with Accounting Standard 20 on Earnings per Share. Basic EPS is computed by dividing the net profit or loss after tax for the year attributable to equity shareholders by the weighted average number of Equity shares outstanding during the year. Diluted Earnings per Share is computed by dividing the net profit or loss after tax for the year (after adjustment for diluted earnings) attributable to equity shareholders by the weighted average number of Equity shares outstanding during the year.

xi) Provision:

A provision is recognized when the company has a present obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are not discounted to their present value and are determined based on best management estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best management estimates.

xii) Taxes on Income :

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-Tax Act, 1961 enacted in India. The tax rate and tax laws used to compute the amount are those that are enacted or substantially enacted, at the reporting date.

Deferred tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. The deferred tax asset is recognized and carried forward only to the extent that there is a reasonable or virtual certainty as the case may be, that the asset will be realized in future.

Notes to the Financial Statements for the year ended March 31, 2022 xiii) Contingent Liabilities:

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statement.

Resons For the Variances

Current Ratio

Negative Variance of Current Ratio made due to increase in the Current Liability as compare to Current Assest, Current Liability Increase due to Utilisation of Secured Working Capital Loan.

Debt Coverage Ratio В.

Variance in the Debt Coverage Ratio is Positive as because of the Increase of Profit After Tax and Repayment of Term Loan and No Fixed Installment during the year as compare to Previous year.

Inventory Turnover Ratio C:

The Variance in the inventory Turnover is positive due to the more utilisation of production capacity as high demand of Copper metal in the market production.

Net Capital Turnover Ratio D.

The Variance in the Net Capital Turnover Ratio is positive as because of the Increase in sales turnover and reduction in the Trade Receivable time period.

Return on Capital employed E.

The Variance in the Return on Capital employed is positive due to Increase in Sales and Profit as compare to previous Period.
